

Beres Chiropractic's Cancellation, Late & No-Show Policy

Here at Beres Chiropractic, we take pride in high quality patient care and health services with appointments reserved specifically for you. Due to our dedication to your chiropractic care, we often have a waiting list for appointment times. If you cancel on short notice, do not show up or show up very late with no notice it is a missed opportunity for another patient.

We understand unforeseen circumstances occasionally happen in everyone's life and we take that into account, however we must maintain a viable practice with the following policies.

Late Arrivals: If you are running late, please give our office a courtesy call so that we can use the time to treat other patients accordingly and adjust our schedule. We will still be able to treat you but be aware when you arrive you may have a little bit of a wait time.

Cancellations: We ask that existing patients please notify the office with a minimum of 4 hours in advance of your scheduled appointment if you need to change or reschedule. For NEW patient appointments we ask for a 24-hr. minimum notice of cancellation or reschedule. To reschedule or change your appointment, please call 706-596-7220. If you do not reach someone from the office, you may leave a detailed message on the answering machine. This is acceptable as a notice of cancellation.

No Show/ Missed Appointments: Anyone who forgets or consciously forgo their appointment for whatever reason will be considered a "NO SHOW" and will be charged.

Three or more No shows or Missed appointments may result in the patient being released from care. We have the right to dismiss from care at any time.

*Exclusions to any missed appointments as always are at the discretion of Beres Chiropractic staff. We have the right to determine exclusions on a case-by-case basis.
